

Accessing the RAM II stock-recruitment database

Daniel Ricard, Julia Baum, and Coilín Minto

October 27, 2008

Contents

1	Entry levels	2
2	Back-end user	3

Chapter 1

Entry levels

There are currently two levels of entry to the database

- Back-end user
 - Command line interface to the database
 - SQL code
- Web access
 - Access to database views using a web browser

Chapter 2

Back-end user
